

# Galatea School Wide Notices

Term 1 – Week 9 (two weeks until end of Term 1)

**Oxford Pie Orders** – Well done to Mila Sykes for being the winner of the most individual Oxford pie sales and the Bicknell children for being the winners of the most collective Oxford pie sales.

**Ice Blocks** – Mega Minds are selling ice blocks daily as a class fundraising project – they are \$1.00 each.

**School Triathlon** - Congratulations to all our students who participated in this event. Everyone was impressed with the effort, enthusiasm and resilience shown by competitors. A huge thanks goes to Scott and Rebecca O'Brien who helped organise this event along with Mrs Bicknell, and to our special visitors who attended on the day. Thanks also to the parents who offered to help on the day as marshals or BBQ cooks and helpers.

**Easter Raffle** – Every day this week we are collecting Easter themed items to go into our Easter hampers which we are going to raffle off. Thank you to the children and whanau who donated today and last week!! Please bring your Easter items to school one day this week. It would be great to see every child contribute something for this fundraiser. Raffle tickets to sell will be sent home this Thursday with all tickets needing to be back the following Thursday, ready to draw at our end of Term assembly.
