

# Galatea School Wide Notices

Week 7 of Term 2

**Reconnecting** – what a great first week back at school. There were lots of smiles all round. The teachers have all loved reconnecting with their students, and students have loved reconnecting with their friends and classmates. Thanks to everyone for following our social distancing rules by staying outside classrooms and allowing only two people in the office at a time.

**Sickness** – As mentioned in previous communication, please help us manage winter ills and chills by keeping children home from school if they have symptoms such as extreme tiredness, aches and pains, sore stomach, sore throat, consistent runny nose/cough, red checks, temperature, glazed eyes etc. As our well respected team of doctors in Murupara will say, vitamin C during these months is very beneficial.

**Friday Lunches** – these are back up and running again. Please contact your child's teacher if you need another copy of the lunch order list.

**Queen's Birthday** – school is closed next Monday, 1<sup>st</sup> June (Week 8).
